Simple and effective! It is used to be equipped together with various industry lathes and upgrade old lathe

01
Light weight and durable

02
stable measurements

03
price is very good in accordance with the quality

04
Large crystal LCD display.

Positive feedback

Stainless steel material

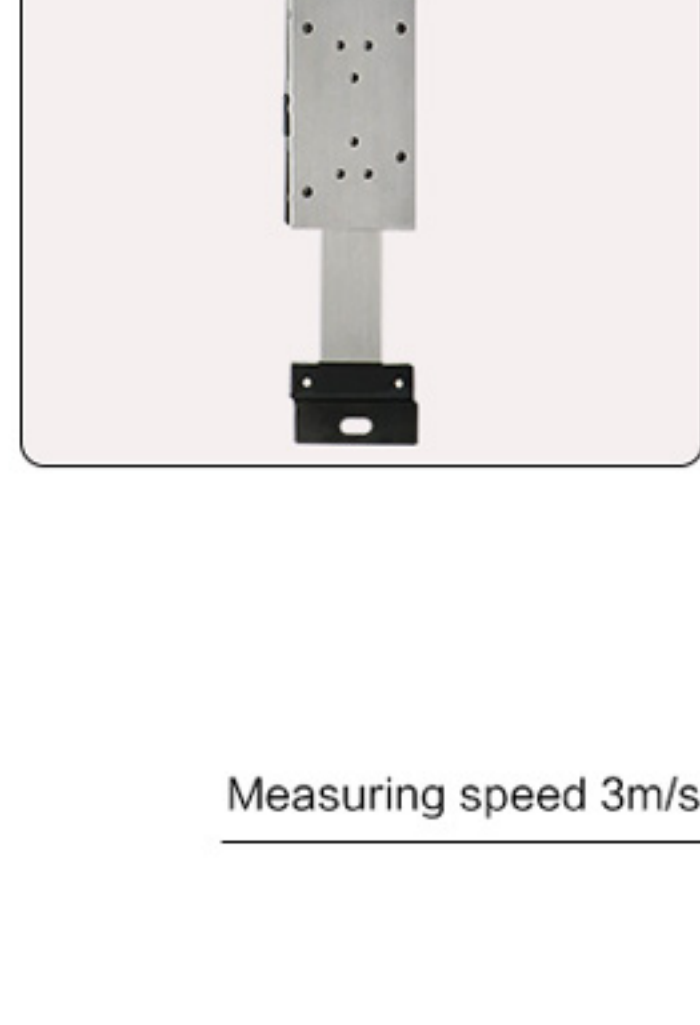

3VCR2032 durable battery

Storage batteries in

Product introduction

Stainless steel material manufactured under modern technology, durable and reliable operation

Measuring speed 3m/s

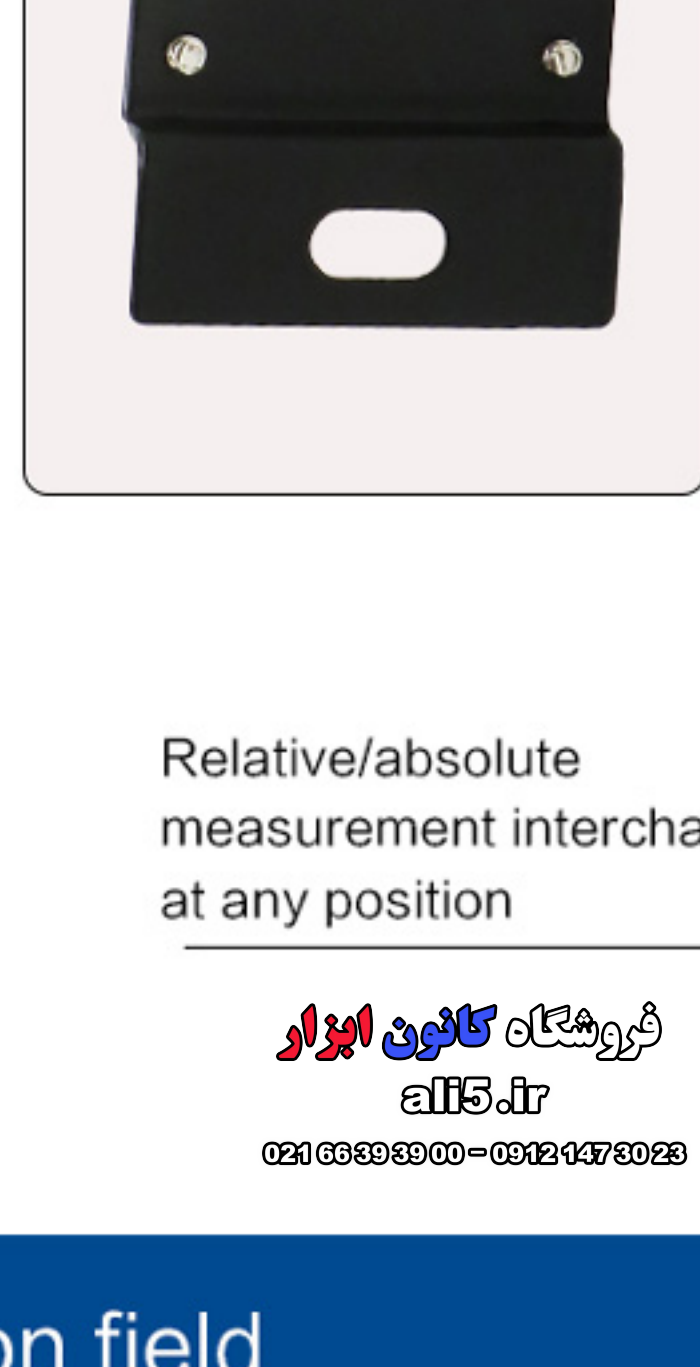

Quick display of the measured value on big LCD screen

Battery type, 3V CR2032 lithium battery

Stainless steel material

Relative/absolute measurement interchange at any position
